## SELDAT AWARDED SMARTWAY HIGH PERFORMER STATUS

The Supply Chain Provider Makes EPA list of Top Sustainable Partners

South Plainfield, N.J. (Aug. 21, 2018) – Seldat Distribution Inc., [a Top 100 3PL](#) and leading provider of global supply chain services and technology solutions, was named a SmartWay High Performer in the [EPA’s second annual report](#).

Among the hundreds of companies partnering with the EPA through SmartWay, Seldat was chosen as a High Performer in the Drayage category by surpassing the requirements and challenges of sustainably moving goods. In California and New Jersey, Seldat achieved a high performance ranking as a [Dray Truck Carrier](#).

“Seldat is pleased to be named a High Performer in the EPA’s SmartWay program,” said Joe Pennell, West Coast Operations Director, Seldat.

“Whether it’s the last mile or crossing multiple state lines, Seldat goes the extra mile to deliver goods the most sustainable way possible providing

SmartWay Partners submit efficiency and air quality performance data to the EPA annually. SmartWay High Performers are Partners whose efficiency and/or air quality performance falls within the top-ranked performance range.

Seldat's vision is to be the global leader in technology-driven supply chain solutions. As a High Performer Dray carrier, we've reached another level toward attaining our goal.
