Technology-Driven Supply Chain Provider Expands Senior Team to Support
Growth

SOUTH PLAINFIELD, N.J. (September, 2018) – Seldat Distribution Inc., a leading global provider of technology-based supply chain solutions, has named Melissa Bijelic as its new Vice President of Human Resources. She will be based out of Seldat’s corporate office in South Plainfield.

Ms. Bijelic brings to Seldat over 15 years of experience in Human Resources. She has managed HR departments for corporations and engineering firms. “I am happy to be a part of the Seldat team,” states Bijelic. “My top priority is to streamline the human resources processes. I also seek to foster a culture of empathetic managers who understand the dynamics of managing people.”

Daniel Dadoun, Seldat CEO, expressed his enthusiasm for the new hire. “I am pleased to welcome Ms. Bijelic to our HR team – especially during this exciting time of growth in our company and the supply chain industry. Recruiting talented

professionals across all sectors of our business is important to our success.”

Ms. Bijelic holds a BA in Psychology and MA in Industrial and Organizational Psychology from Montclair State University. She is presently working on her PhD in Industrial and Organizational psychology. Her passion for psychology includes its relationship to the business world.

About Seldat: Seldat Distribution, Inc. provides innovative, scalable solutions and services that help companies in every link of the global supply chain grow and prosper. Our mission is to empower businesses and consumers worldwide to find, buy, and sell anything—without the limitations of borders and logistics challenges. Headquartered in South Plainfield, New Jersey, Seldat employs more than 2,200 people across North America, LATAM, EMEA, and APAC.
