SELDAT OPENS NEW FACILITY IN CHINO, CALIFORNIA

The Supply Chain Provider Secures New Location to Increase Efficiency

Seldat Distribution Inc., an industry leader in providing efficient, custom, cost-effective supply chain services and technology solutions, has announced a new facility in Chino,

California. With the creation of this branch at 8601 Merrill Avenue, Seldat will be able to provide faster services and response times within the Southern California region. The new location provides distribution for multiple tenants and offers easier transit, vehicular, and pedestrian access. The facility features a 36' ceiling height, 323,030 square feet for warehousing and 61 loading docks. The 5,225 square feet of office space will accommodate approximately 150 jobs created by this expansion.

“As Seldat continues to expand throughout the United States, a key initiative is to ensure we have the capacity and locations customers demand,” said Aaron Hunt, SVP Operations, Seldat. “By opening this facility in Chino, we can better meet the needs of our clients doing business in and around Southern California.” Seldat’s vision is to be the global leader in technology-driven supply chain solutions. Setting up a facility in Chino, CA, has expanded its current network, bringing it one step closer to achieving this goal.
